SKI NH offering 4th & 5th Grader Snowsports Passport

Lincoln, NH -- If you have a fourth or fifth grader, or both for that matter, then New Hampshire is your skiing destination for 2015-2016. This season Ski NH downhill and cross country ski area members are offering one lift ticket or trail pass to each member area via the 4th & 5th Grade Snowsports Passport. And a portion of the sales will benefit Make-A-Wish New Hampshire.

The Passport, which costs \$30 if purchased by October 31, 2015 (the price will increase to \$35 after that date), allows for 16 downhill options and 17 cross country options, making New Hampshire the perfect place for families to explore different ski areas this winter. In addition, each area also provides one additional Passport offer, which may include deals such as savings on first-time and beginner lessons, equipment rentals, or savings on lift tickets and trail passes for parents and siblings.

For over a decade, Ski NH has partnered with Make-A-Wish New Hampshire to help it with its goals of granting the wishes of children with life-threatening medical conditions, giving them hope, strength, and joy. Since the founding of the New Hampshire chapter in 1987, more than 1,305 wishes have been granted. Ski NH will again this year donate a portion of the sales of the Passport to the organization.

Coupons from the fourth and fifth grade passbook are valid everyday of the 2015-16 season except these blackout dates: December 26, 2015-January 2, 2016; January 16-17, 2016; February 13-15, 2016; and February 20, 2016.

Looking for discounted tickets for the rest of the family? Now skiers can purchase specially priced Ski NH lift tickets to all the Ski NH alpine member areas they want to ski at this year in one place – as few or as many as they want – with no minimum order. Ski NH encourages early purchasing of tickets, as quantities are limited and tickets will sell out for many areas. Plus, ticket rates will go up after October 31.

Ski NH tickets can be purchased online at SkiNH.com and printed at home and are fully transferable. Tickets are valid any day of the 2015-2016 ski season, allowing for great flexibility for those unsure what days they want to ski.
